Welcome to the **Inner Maiden Healing - Certificate Training!**

This training is for women who wish to:

- * Reclaim their cycle as source of inner guidance and spiritual renewal
- * Renew Coming-Of-Age & Rites of Passage traditions in current cultures
- * Become facilitators of the Red Moon Method to empower today's women & girls!

**Menstruation as a spiritual journey
is last uncovered frontier in personal growth and spirituality today!**

**Based on DeAnna's Menstrual Empowerment work, developed over 20 years
of working with women & girls around the world.
The Red Moon Method meets women's needs where psychotherapy, feminism,
and women's spirituality leave off!**

~ "What a transformation! To come back to my body, spirit and soul... You have given me insights to connect with myself, as well as my mother and my daughter! I hope women around the world will come to experience such connection and transformation.
Thank you with all my heart!" ~ Ilke Sternberger, Doula, Teacher, Los Angeles, California

~ "This is the most important work a woman can provide for herself. My relationship with my body and my cycle has completely transformed thanks to DeAnna and the Red Moon training. I've gained a deeper understanding and appreciation of the challenges, gifts, beauty, and power of our womanhood."
~ K. Hill, M.A., Psychotherapist, Oakland, California

~ "I used to take up to 20 pain-killers per period. Working with DeAnna I have totally turned around my perception of my body, my flow and my spirituality. I now feel myself to be a blessed and beautiful woman. I am grateful." ~ S.M. Herbalist, Australia

Inner Maiden Healing - Training Description

This work has been feeding my soul for over two decades...

It is deeply rewarding to work with women around the world, and see how the Red Moon healing balm soothes women's core beyond cultural, religious, racial, political, or upbringing differences, leading us toward finding our deepest bond as cycling women, and spreading empowerment to women & girls everywhere!

I invite you to take this journey as a gift to yourself, and to the world...

In This Training You Will:

- * Release cultural negativity about menstruation (which may be lodged in your body since adolescence)
- * Receive the Coming-Of-Age experiences you always wanted
- * Dissolve PMS symptoms
- * Integrate your Inner Maiden as the fearless initiator, risk-taker, spontaneous, care-free aspect of your womanhood
- * Deepen trust with your daughter (or the girl in your life)
- * Learn facilitation, group leadership, and marketing skills

Training Includes:

- Learning to use your cycle as a inner guidance (rather than be at its mercy)
- Spiritual, emotional, and physical aspects of menstruation
- Healing your Inner Maiden (the girl coming-of-age inside every woman)
- Reclaiming menstruation as celebrated in indigenous cultures around the world
- Shamanic trance journeys
- Integrating all parts of your womanhood into a whole
- Empowering women & girls in your community

Training Structure:

- Sessions are held over the phone (*you can attend from anywhere in the world!*)
- 12 sessions, delivered every other week, over 6 months
- Each session lasts 75 minutes (an hour and a quarter)
- Email support, notes, and preparations are provided between sessions
- All sessions are recorded and down-loadable to your computer

Licensing Option:

You can take this training as a Personal Growth journey, or as the foundation to becoming a licensed Red Moon Facilitator.

Licensing Requirements:

- Completing 12 Inner Maiden Healing training sessions with DeAnna L'am

- Organizing an Inner Maiden Healing workshop in your area, that DeAnna will travel to teach, which will serve as your **Practicum**.
- **Students outside the U.S.A:** I typically travel to Europe every summer, and facilitate Inner Maiden Healing workshops organized by graduating students, as well as offer other Red Tent workshops).

Facilitating Inner Maiden Healing Workshops:

Once you and DeAnna both feel that you are ready to facilitate your first Inner Maiden Healing Workshop by yourself(*), you will need to:

- Sign an Inner Maiden Healing - Facilitator Licensing Agreement
- Purchase DeAnna's Inner Maiden Healing Curriculum for a one-time fee
- Purchase 1-hour supervision with DeAnna following each of the first 4 Inner Maiden workshops you facilitate (more if needed)
- Stay connected with Red Moon and DeAnna as a Certified Facilitator

DeAnna wrote 3 different curriculums: *Inner Maiden Healing* is the foundational curriculum. Once you are certified, you can choose to purchase one, or both, other curriculums, for a one-time fee each, and start offering them in your community. The curriculums are: *Mother Daughter Tent Retreat* and *Red Tent Girls' Sleepover*.

(*) If you are Not ready to start facilitating after you completed this training, and participated in an Inner Maiden Healing workshop that DeAnna facilitated – you can either contract with DeAnna to receive individual sessions to help you hone your skill, or decide to wait with facilitation until you are ready in future, and re-connect with DeAnna at that time in order to move forward.

**Women and girls around the world are thirsty for this work,
and we need more certified women to facilitate it!**

When you graduate, you will join a cohort of amazing women:
